

# NORTHAMPTON LIONS FOOTBALL CLUB

## REACHING YOUR POTENTIAL

A unique football club that supports players in achieving their educational goals, while mentoring them into adult football and providing a pathway to the semi-professional and professional game in the UK and overseas.

## COACHING

Founded in 2015, Northampton Lions is led by a UEFA A Licence coach with 20 years of elite youth football experience and knowledge of what is required to develop the best young players in the game.

## FOOTBALL

Training takes place twice-a-week with Saturday matches in the Midland Junior Premier League, in addition to strength and conditioning sessions for all players, and goalkeeper-specific coaching.

## EDUCATION

The club values the importance of education and guarantees a high-level club experience that compliments both school and post-16 aspirations, in addition to providing help around CV development.

## PATHWAY

Northampton Lions provides a network to professional clubs in Europe and North America, with former players receiving scholarship opportunities, contract offers, and professional trials in England and abroad.

## ARE YOU READY TO SHINE?

The club welcomes players who want to reach their potential and play with like-minded team-mates in an elite development environment, ready to learn the required skills and disciplines to perform at high standards, whether released from professional academies or looking to progress in the game from the grassroots level.

Trial sessions can be arranged with the Northampton Lions coaching staff by contacting the club via: [trials@northamptonlions.co.uk](mailto:trials@northamptonlions.co.uk)
